

ED | LIFE SUSTAINABLE SPOTLIGHT

A special focus on brands championing environmental excellence through innovative technologies, eco-friendly ideas, and a dedication to a better planet.

PHILLIP JEFFRIES

Phillip Jeffries inspires a more beautiful world with natural wallcoverings handcrafted from renewable resources and backed with recycled paper. For every order placed, Phillip Jeffries plants a tree, targeting areas affected by deforestation. Over 155,000 trees have been planted to-date. phillipjeffries.com

DE LE CUONA

Luxury textile brand de Le Cuona is serious about sustainability. Founder Bernie de Le Cuona works exclusively with specialist mills to ensure that she knows the origins of every natural fiber used. The company is slated to launch its GOTS-certified organic PURE collection later this year. delecuonacom

HAMMERTON LIGHTING

From energy-efficient LEDs to brilliant designs in recycled glass, environmental stewardship is a foundational component of Hammerton Lighting. "100% domestic manufacturing serves as the basis for our sustainability model," says Levi Wilson, Founder and VP Design. hammerton.com

TRANE

The Trane CleanEffects™ Air Cleaner supplies your home with a cleaner, healthier environment by removing up to 99.98% of airborne particles to improve air quality. trane.com/residential
